MAZDA ONLINE NAVIGATION¹

Mazda Online Navigation gives access to more than 19 million point of interests (POIs). It also provides more optimized routes and traffic information on all major and non-major roads along with an on-demand map update.²

¹Requires MyMazda app enrollment. Mazda online navigation system requires Mazda connected services enrollment to perform over-the-air updates. For factory equipped Mazda online navigation, the SD card must be replaced after 3 years to continue to receive over-the-air software updates. Please read Owner's Manual for further information. ² Database update up to 4 times a year.

AMAZON ALEXA³

The in-car Alexa capability allows the user to control select vehicle functions using only voice commands. In addition to navigation functions, the user can now control air conditioning, defrosters, seat heating, ventilation functions etc.

³Requires MyMazda app enrollment and Amazon account. Please read Owner's Manual for further information
